EXPORAIL
Exposition Light Rail

- **Candidate Corridor in MTA's 30-Year Plan**
  Along Exposition right-of-way from Santa Monica to downtown Los Angeles

- **A new vision for the Westside**
  A more human city, for people and parks, not traffic and smog

- **Economic importance**
  Major business and recreation destinations across the Westside
  Along the busiest freeway in the world (400,000 people/day)
  Densest light rail population in L.A.
  - 2-3 times successful light rail in San Diego, Sacramento, San Jose, Portland
  - Equals proposed L.A. subways (at 1/5 the cost!)

- **Popular support**
  66-74% of corridor voters supported rail transit propositions
  50 community organizations and 4300 petitioners

The Exposition Rail Committee is an independent citizens group, volunteering time for Exposition and other cost-effective rail transit in Los Angeles.
